

**AMENDMENTS TO THE CLAIMS:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**LISTING OF CLAIMS:**

1. (Original) An extensible nonwoven fabric that comprises a fiber comprising at least two olefin-based polymers, said at least two olefin-based polymers being of the same kind and having different induction periods of strain-induced crystallization as measured at the same temperature and the same shear strain rate.
2. (Original) The extensible nonwoven fabric according to claim 1, wherein the fiber is a conjugate fiber having a cross section in which a component in point (a) and a component in point (b) which is symmetric about the center point are the same.
3. (Currently Amended) The extensible nonwoven fabric according to claim 1 [[or 2]], which is a spunbonded nonwoven fabric.
4. (Currently Amended) The extensible nonwoven fabric according to ~~any one of claims 1 to 3~~ claim 1, which has an extensibility at a maximum load of not less than 70% in the machine direction (MD) and/or in the cross machine direction (CD).

5. (Currently Amended) The extensible nonwoven fabric according to ~~any one of claims 1 to 4~~ claim 1, wherein the olefin-based polymer is a propylene-based polymer.

6. (Currently Amended) A composite nonwoven fabric comprising at least one layer comprising the extensible nonwoven fabric as described in ~~any one of claims 1 to 5~~ claim 1.

7. (Currently Amended) A disposable diaper comprising the extensible nonwoven fabric as described in ~~any one of claims 1 to 5~~ claim 1.
